

Shigeo Ushiro

Testimony

In 2000, I joined Pearl City Community Association (PCCA) Board of Directors through the invitation of Councilman Breene Harimoto.

As a board member, I got to know Shige very well. He was always willing to do more than his share of work. He served not only as President, Secretary, Treasurer, but also as the chairperson for the PCCA annual golf tournament, huli huli chicken fundraiser and as master of ceremony at various PCCA sponsored events such as our annual Installation of Officers/Board Members banquet.

He served as PCCA President many times before I joined the association. He would serve for 2 years and then serve as Secretary or Treasurer for another 2 years and then serve as President again. He was a very dedicated board member who wanted to serve his community in a very meaningful way.

You could always depend on him to get the job done. He impressed me not only with his physical stamina but his ability to make fast logical decisions when called upon.

His dedication and hard work has definitely had a tremendous impact in the community. He was the complete package of Administrative, Physical, Mental, Spiritual & Dedicated leadership to the Pearl City Community.

Yes, *Manana Neighborhood Park* deserves to be named "Shigeo Ushiro Manana Neighborhood Park".
